Distributed quality-of-service routing in ad hoc networks - ▶ [upatras.gr](#) [PDF]

S Chen, K Nahrstedt - Selected Areas in Communications, IEEE Journal on, 1999 - [ieeexplore.ieee.org](#)

... Connections with quality-of-service (QoS) requirements, such as ... are issued for the connections with tighter requirements. ... of finding a feasible path and thus ...

Cited by 559 - Related articles - Web Search - BL Direct - All 18 versions

Middleware: a model for distributed system services

PA Bernstein - Communications of the ACM, 1996 - [portal.acm.org](#)

... access API, as in Digital's PATH- WORKS product ... selecting some standards as vendor requirements, to ensure ... on a single vendor's product) and proprietary ...

Cited by 440 - Related articles - Web Search - BL Direct - All 5 versions

Distributed process groups in the V Kernel - ▶ [epfl.ch](#) [PDF]

DR Cheriton, W Zwaenepoel - ACM Transactions on Computer Systems (TOCS), 1985 - [portal.acm.org](#)

... system may have multiple servers providing file service. ... For example, in a parallel distributed computation, one ... measurements of its space requirements in the ...

Cited by 370 - Related articles - Web Search - Library Search - All 9 versions

Specification and modeling of dynamic, distributed real-timesystems - ▶ [univ-lehavre.fr](#) [PDF]

LR Welch, B Ravindran, BA Shirazi, C Bruggeman - Real-Time Systems Symposium, 1998. Proceedings., The 19th ... 1998 - [ieeexplore.ieee.org](#)

... 4 presents a static system model that is constructed from specifications. ... for describing the characteristics and requirements of dynamic, path-based real ...

Cited by 67 - Related articles - Web Search - All 14 versions

An overview of quality of service routing for next-generationhigh-speed networks: problems and ... - ▶ [uill.edu](#) [PDF]

S Chen, K Nahrstedt - Network, IEEE, 1998 - [ieeexplore.ieee.org](#)

... this architecture does not meet the requirements of future ... a feasible path with two independent path constraints is ... any future inte- grated services network is ...

Cited by 713 - Related articles - Web Search - All 24 versions

Specifying Distributed Software Architectures

J Magee, N Dulay, S Eisenbach, J Kramer - LECTURE NOTES IN COMPUTER SCIENCE, 1995 - Springer

... the effect of elaborating complex configuration specifications and check ... The arcs represent the bindings between requirements and pro ... If there is a path in the ...

Cited by 737 - Related articles - Web Search - BL Direct - All 5 versions

Supporting the real-time requirements of continuous media in open distributed processing

G Coulson, GS Blair, JB Stefani, F Horn, L Hazard - Computer Networks and ISDN Systems, 1995 - Elsevier

... This sets out specifications, guide- lines and concepts ... components which make up the message's path. ... analysing the requirements of multimedia appli- cations ...

Cited by 52 - Related articles - Web Search - All 5 versions

[PDF] ▶ A Directory Service for Configuring High-Performance Distributed Computations

S Fitzgerald, I Foster, C Kesselman, G von ... - Proc. 6th IEEE Symp. on High Performance Distributed ... 1997 - [globus.org](#)

... expect wide deployment of LDAP information services, familiarity with ... data, which helps to address our security requirements. ... the entries on the path from the ...

[Cited by 393](#) - [Related articles](#) - [View as HTML](#) - [Web Search](#) - [All 44 versions](#)

[CITATION] ... -ARM: A Real-Time Adaptive Resource Management System for Distributed Mission-Critical Applications

J Huang, R Jha, W Helmerding, M Muhammad, S ... - Workshop on Middleware for Distributed Real-Time Systems, ..., 1997

[Cited by 50](#) - [Related articles](#) - [Web Search](#)

Distributed QoS compilation and runtime instantiation - ► purdue.edu/~pon

KW Nahrstedt, DD Xu - Quality of Service, 2000 IWQOS 2000 Eighth International ... , 2000 - ieeexplore.ieee.org

... 1) QoS setup of an end-to-end QoS path according to given user QoS requirements as well as ... QoS compilation phase requires four major specifications done by ...
